

TWINS UNMET

- The Blaze -

On planet Pune, King Blake's Blaze Plant ramps up as Grand Duke Cade plots to keep his toxic gas supply to the Gild Pact and to stop the blaze stones from becoming the next power source.

At the same time, Slin, next in line for the throne, rebels against her dad as she tries to find facts about her mom. However, in the end, her rash acts make her a target in Cade's vile plans.

With the help of Zene, Nils, and the White and Red Stripes, can Pune save the planets and stop a big strife in the Gild Pact?
