

## **Stash the Trash**

Buck the Duck and Mick the Chick's campsite at Brisk Pond is filled with trash and they got to work fast. Yet, that is not the end of it. The pond is filled with trash as well.

They are glad to get rid of the trash on the sand.

Bup the Pup is on the lot next to them. His lot is filled with trash. When Buck the Duck and Mick the Chick help Bup the Pup clean up his lot, they join forces to ensure Brisk Pond stays trash free.
